

XTREME GRAPHICS ANNOUNCES: SINGLE SERVING LENTICULAR CONTAINERS

Inver Grove Heights, MN - May 31, 2006 – Xtreme Graphics, the leading provider of high-quality, in-mold decorated plastic drinkware products, is pleased to introduce the latest addition to its product line – the Xtreme Graphics Single Serv container.

Xtreme Graphics Single Serv features high-quality lenticular in a single-serving format. Xtreme Graphics Single Serv is perfect for special promotions including new product releases, collectables, casual and fast food restaurants and sporting and entertainment events. Xtreme Graphics Single Serv lenticular showcase stunning images and put promotions in motion to create 3d with flipping images and image-zooming effects.

Xtreme Graphics uses new lens manufacturing technology and custom-designed equipment to produce its exciting 3D and animated graphics on a cost-effective Single Serv cup or package. Now fountain cups and packages of all kinds can feature dynamic, moving graphics that grab consumer attention and help a product move off the shelves.

Dave Corey, VP Sales for Xtreme Graphics states, "Xtreme Graphics Single Serv provides amazing lenticular in a one-time-use container. The Single Serv is perfect for both promotional cup campaigns and as a packaging option. There is no doubt Xtreme Graphics high-quality Single Serv will leave a lasting impression."
